Field Grown Roses

WINONA, TEXAS

Phone 14

Dear Sir:

I have the following list of two-year field grown budded rose bushes. These roses are in perfect condition and ready for shipment. My bushes are dusted regularly during the growing season to prevent black spot or other diseases. If you want a top quality rose bush that will out rank others by comparison, I suggest that you buy the No. 1's; however the No. 1½ are good plants. If you want a cheap grade of roses, the No. 2's are nice, small disease free bushes. My stock is inspected by our State Nursery Inspector and pronounced free of disease before it is shipped.

No. 1.....	\$10.00 per 100
No. 1½.....	\$ 7.00 per 100
No. 2 .....	\$ 4.00 per 100
